

Holy Cross Elementary

2011-2012 Annual Fund

Holy Cross Elementary is one of the finest schools in Louisiana. We seek your help to assist in meeting the ordinary and sometimes extraordinary costs of operation.

At Holy Cross Elementary, teachers, parents, grandparents, and our community work together in a caring, loving way to encourage and direct our youth to develop to their maximum potential.

Because tuition income does not fully fund the cost of educating each student, we depend on your support to help Holy Cross Elementary meet budgetary needs.

We ask that you prayerfully consider your monetary gift to this 2011-2012 Annual Fund Campaign. Your gift to our school is needed and is an investment in the future of our young people. You can make a difference for the children here at Holy Cross!

Sincerely,

Mamie

Have you considered planned giving?

- What about placing Holy Cross Elementary in your will?
- Why not a charitable remainder gift to Holy Cross Elementary?
- Life insurance policies can be written in Holy Cross Elementary's name.
- Bonds and/or property can be willed to Holy Cross Elementary.
- By making a "planned gift" you can help Holy Cross Elementary continue to make an important difference. What better way to make an impact than by making a contribution that will give children a chance to build their dreams.
